FOR IMMEDIATE RELEASE

Spiezle Architectural Group, Inc. Announces Opening of New Pennsylvania Office

TRENTON, New Jersey, August 22 – Spiezle Architectural Group, Inc., a leader in the design and construction of educational facilities and commercial buildings throughout the Northeastern United States since 1954, today announced the opening of its regional office in Media, PA (Delaware County).

“This announcement clearly underscores our firm’s focus on service excellence,” offered Scott R. Spiezle, President and CEO of Spiezle Architectural Group, Inc., “for without that clarity, we would not be experiencing the high levels of success we owe to client satisfaction and extraordinary team strength.”

“In fact, the diversity and passion of our professionals,” continued Spiezle, “have always been among our core strengths. Now, from this new location, our expanded geographic focus and creative energies will spur us on to even greater growth and achievement.”
