FOR IMMEDIATE RELEASE

“Eye Browse” Photo Fan to Receive American Corporate Identity Award

TRENTON, New Jersey, March 20, 2006 – Spiezle Group, Inc. announced today that its “Eye Browse” photo fan brochure has been selected to receive an American Corporate Identity Award certificate of merit. The project, which was designed by Gill Fishman Associates of Cambridge, Massachusetts, will be published in the trade magazine *Annual 22*.

“We are delighted by this recognition,” said Laurie Moss, Spiezle Group chief marketing officer. “Eye Browse has increased the firm’s overall visibility and attracted attention from new, targeted market segments. It has become the firm’s signature print piece and created multiple opportunities for business development conversations.”

Since 1954, Spiezle Group, Inc. has been a leader in the design and construction of educational facilities, public and recreational venues, and corporate sites throughout the Northeast. The firm is currently at work on education and public facilities projects throughout New Jersey, including new and renovated facilities for the Clinton, Woodbridge, Florence, Lawrenceville, and Swedesboro school districts. Spiezle Group, Inc. is also providing master planning and architectural services for Rider University in Lawrenceville, New Jersey, and architectural services for the new Greater Trenton YMCA now under development in downtown Trenton, New Jersey.
